Work Experience

A1 Digital Solutions Inc

Full-time · 2 yrs 6 mos

On-site

Frontend Developer

Mar 2023 - Aug 2025

I was responsible for the following tasks for different periods of time, however my primary role was to manage the website responsiveness and technical issues.

***) Web Designing**

Got the opportunity to work with Senior Developers. Learned and worked on CodeIgniter, React JS.

***) Graphic Designing**

Managed all the Website image requirements using Canva. Also used it for Blog Images and Social Media Images.

***) Backlinks**

I was also responsible to create Backlinks for multiple websites for a short

period of time.

***) Content Generation**

I was also responsible for creating content for Social Media posts such as captions and for blog posts.
